

# OCCUPATIONAL HEALTH AND SAFETY POLICY

West Coast Poly Pty Ltd is committed to providing a safe and accident free work place for all its employees, contractors and visitors. We will ensure safe working practices are applied and maintained, we will ensure a safe and healthy working environment and comply with all statutory OH&S regulations.

## **Our Commitments:**

- Provide a safe and healthy working environment
- Provide support and training to staff on all aspects of health and safety within the workplace
- Ensure safety management systems are implemented and continuously reviewed for effectiveness
- Identify any risks or threats and implement the appropriate controls
- Provide and maintain safe plant and equipment
- Will ensure all staff are trained and well equipped to complete their job function
- Continually review, document and refine the OH&S System for continuous improvement

## **Our Employees will:**

- Work safely at all times to protect themselves and others working around them
- Participate in all OH&S Training, consultation and initiatives to improve OH&S
- Identify hazards or potential risks reporting directly to their supervisor
- Comply with all company policies and procedures
- Identify and support measures to eliminate or minimise unsafe conditions
- Share the responsibility and work as a team to ensure the company procedures and policies and maintained and supported
